**WHAT WE ARE EXCITED ABOUT - WHISTLE PIG THE BOSS HOG VII 52.6%**  
embodies an enduring quest to create the finest and most interesting rye whiskey

*inspired by the first recorded circumnavigation of the globe, the boss hog vii: magellan's atlantic is a straight rye whiskey with an uncharted cask journey that stretches across continents. seventeen years in american oak, is followed by casks from the mountainous forests of northern spain, before finishing in fragrant south american teakwood*

*single barrel, bottled at proof, powerfully complex, distinctly unique.....stupendous*
